

Homemade Laundry Detergent

INGREDIENTS

- 2 bars Castile Soap
- 4 cups Borax
- 4 cups Washing Soda
- 4 cups Baking Soda
- Vinegar
- Organic Essential Oils (optional)

DIRECTIONS

1. Grate Castile soap bars into large bowl.
2. Mix Borax, Washing Soda, & Baking Soda into grated Castile soap. *Make sure to wear gloves or use a wooden spoon.*
3. Add Essential Oils.
4. Store in airtight container.
5. Use 1/4 c of mixture per load. If washing colors or denim, add 1/4 c of vinegar to fabric softener tray.

Recipe makes approximately a 1/2 gallon. Double recipe for 1 gallon.
